

## Part Ordering Procedures

Prior to actually ordering parts, please contact our customer service department with the following information:

- Name of establishment
- Address (Billing and Shipping)
- Manager's Name (or contact name)
- Serial Number (see below)
- Model Number (see below)

Please have the part numbers, descriptions, etc. available when an order is placed as this will help to expedite your order.

In order to accurately process your order, we must have the above information.

If you have any questions or are in need of further information, please do not hesitate to contact our customer service department at **(800) 388-8307**.
